John is married to Vera (Converse) Gibbons and they are the parents of 5 children. He follows in the footsteps of a line of family assessors. Dennis Mahoney, his grandfather, served as Mattapoissett assessor, followed by his uncle, Robert Mahoney, and upon the latter's death, Virginia Mahoney, his aunt.

Veterans Day Parade

The tri-Town parade in Wareham was colorful and pleasing to the many hundreds of spectators from the participating towns of Wareham, Marion and Mattapoissett. The parade was nearly an hour in length and contained numerous marching units and bands from the area.

There were some outstanding units and floats. Those singled out by the parade judges were the Cub Scout float, first; and the Cromeset Tribe of Red Men, second;

ZONING DECISION CLOSING

EDITORIAL

The two meetings which were held on the zoning proposal in Mattapoisett are a good indication of the endless series of differing interpretations which evolve from a maze of legal restrictions. Apparently, a simple, clear zoning plan will never be written. This tendency to cover every move a property owner makes is the major reason why so many people resist zoning. This distasteful prospect, however, must be placed on the scales with the growing danger of lack of little restriction. The town has reached its present attractive state in an atmosphere of freedom of expression and freedom of action. Fortunately, this has been individual action to begin with. Then, local development has done some good building in the town. All the building in town, to date, has been by people who care about the place and have a stake in the town.

What would happen if a giant developer moved in? Would the restrictions on the books now be able to control this type of developer and save the town from exploitation? Is there danger that residential sections will be spoiled through business encroachment?

These are the questions that anyone considering the question has to ask himself. Then balance the unknown evils against the

It's a tough question but one that must be faced without delay. The approaching new high speed highway is taking the initiative away from the people of the town. If a decision is not reached soon then a decision might no longer be necessary. D.C.J.

BOWL AND ALL

It wasn't supposed to go that way according to the script written in past years. Previously, Old Rochester and Wareham has alternated taking either the Cranberry Queen or the Cranberry Bowl. The Wareham Vikings put an end to that exchange on the Veterans' Day game in Wareham.

On the opening kick-off the Vikings ran the ball the length of the field to the end zone only to have the score nullified by a clipping penalty. Minutes later they crossed the goal again to be denied once more by a penalty.

Wayne Lopes ran 85 yards in the first instance. In the second, Ritche Files dove in to cap a march from the OR 36 and an off side penalty called the ball back and it went to the Bulldogs.

Rochester quarterback Steve Cadieux, 10, carries the ball as Jim Gaudiello, 60, runs interference.

The first score resulted from a complicated play which went from Doug Remick, who handed off to Phil Gomes, who handed to Lopes, who threw to Johnny Dutton in the OR end zone. The point after kick was missed and the score stood 6-0.

The fourth quarter opened with a spectacular 40-yard gain for OR as Steve Cadieux passed to Tom DeCosta who was stopped on the 14. Ken Lomba and Ray Tuttle moved the ball and Tuttle scored on a one-yard plunge. He kicked for a point to put the Bulldogs in the lead 7-6.

Old Rochester made a break when they intercepted a Viking pass in OR territory. They were, however, unable to move and finally gambled on fourth down with half a yard to make. They were stopped.

The Vikings were forced to surrender the ball once more on the Old Rochester 6 after a good drive. OR was unable to move the ball out. Tuttle tried to quick kick which was blocked by Miranda and Leroy Gomes fell on the ball in pay dirt. A pass from Remmick to Jeff Dutton added 2 more points to make the score 14-7.

Cadieux tried to move through the air. He passed desperately and Phil Gomes of Wareham was on the receiving end and ran back 40 yards with the interception to score. The extra point try failed and the final score was 20-7.

To cap the day for the Vikings, Miss Linda Carey was named Miss Cranberry Bowl Queen at the ball that evening. Miss Francine Canute of Wareham was first runner-up and Miss Nancy Joslin of Mattapoisett and OR was second runner-up. Miss Carey is the daughter of Mr. and Mrs. James Croke of Wareham. She was crowned by Miss Becky Ann Zora of Old Rochester, last year's Queen.

Jr. Grange MEETING

Mattapoisett Junior Grange held its bi-monthly meeting last Friday night with the worthy master, Mark Harris, presiding. All officers were present.

The worthy master reported on the trip he, Mark Breton, Mary Alcobia and Joseph Carson enjoyed as guests of the State Grange last October 26 with many other Junior members in the State. A detailed description was given on the tour of the Mayflower II, Plimoth Plantation and other historic points. He continued his report of the State Junior session held in the Memorial auditorium, when Mark Breton received an award of a transistor radio for work done as membership chairman.

"THE MISER" AT MARION ART CENTER

The Marion Art Center Players will present their fall production of "The Miser" on November 30, December 1 and 2, 8 and 9 at 8:30 P.M. at the Art Center, Main and Pleasant Streets, Marion. "The Miser" was written by Moliere and first presented at the court of Louis IV. This hilarious farce has been delighting theatre-goers ever

cational, historic as well as fun. Mark presented State checks to Raymond Silveria for his utility board and to Robert Burbank for his safety poster.

Mary Beth Breton, lecturer, opened her safety program with a poem, "Safety First". She then presented Fire Chief, Kenneth Wood, who spoke on the many dangers in fires, instructing them also in many ways to prevent having fires. He spoke of good home fire prevention by keeping attics, basements and closets free of accumulations that would be fire hazards.

Playing Toss Bag completed the program. November 24th will feature a Thanksgiving program with Ray Silveria and Mary Beth Breton refreshment hosts.

Under new business it was voted to accept the invitation for the boys to put on their fashion show for South Middleboro Grange on Friday, November 17.

Pomona Master Paul Ouellette spoke of his pleasure in being present and complimented the lecturer on her program.

Cookies and punch were served by Mark Harris and Joseph Carson.

AN IMPORTANT MESSAGE

TO THE PEOPLE OF MATTAPOISETT

The Special Town Meeting to be held at Old Rochester Regional High School on Monday, November 20, at 7:30 P.M. is one of the most important in recent Town history. There are four articles in the Warrant, at least

The score that sent the Bulldogs ahead 7 to 6 caused this pandemonium of joy among the Rochester cheerleaders. Their hopes were dashed later in the period as Wareham scored twice making the final score 20-7.

two of which, Public Kindergartens and Zoning, will vitally affect the future of Mattapoisett. Irrespective of your views on any of the Articles you should come to the Meeting, so that it may be truly representative. The important thing is that the sentiments of the Town as a whole be expressed, not just the sentiments of a group or groups.

The Zoning Board, believing that zoning is both desirable and necessary, has drawn up a proposed Zoning By-Law and Map for your approval. As you may already know, these have been modified and changed in part in response to your desires at the two public hearings which we held at the Town Hall. We did not feel that all of the suggested changes would be in the best interests of the Town, so we did not adopt them all. We, also, made other modifica-

tions based mainly on the discussions at those meetings. Our sole purpose has been to prepare a Zoning By-Law for Mattapoisett which will fit the needs and desires of the Town, in so far as we have been able to determine them and which will disturb the normal activities of the residents as little as possible, make the Town more attractive to all residents, permanent, summer and prospective, prevent deterioration of neighborhoods, but not inhibit change, increase the beauty of the Town, increase the efficiency of the fire protection and keep down, if not reduce, the tax rate by increasing the tax base, all within the scope of the State Zoning Act, Chapter 40A of the General Laws of Massachusetts, with which all local zoning laws must comply. So, let us preserve the good which we already have and plan for an even better future.

Remember, zoning will not personally affect most people, because, they already comply with the provisions of the proposed

Mattapoisett Zoning Board.

LETTER TO THE EDITOR

Concerning the letter from an advocate of the public kindergarten in Mattapoisett in regards to its costs and the threat by the State forcing the cities and towns to adopt public kindergartens in the year 1973 I would like to add the following:

1, The State law regarding the school age still stands that a child must be in school by the age of 7 years and not 5 or 6.

2, Kindergarten originated from the Willis Harrington report and additional set-up recommendations concerning kindergartens in 1973 do involve much more than \$15,000 per year. This project could easily involve up to \$45,000 per year and could involve an expensive building program to meet the State requirements.

3, Towns can be eligible for up to a 40% reimbursement as long as they comply with the State frills. However, the towns consider themselves fortunate if they receive a 10% reimbursement.

4, The rate of 1.25 on the tax rate for a \$20,000 house (national average) does involve a payout of \$25.00 per year forever for all taxpayers and much more for many others.

5, The State Education Board is only going by the Willis Harrington report recommendations and these are for the year 1973 not 1967.

6, The town should not be held responsible for cradle to grave support as the parents themselves should be responsible for one year's education. Mattapoisett is giving the children a good education and again I repeat we now have 2 private kindergartens with reasonable tuitions available to all children at the parents' expense for one year only without placing the burden on everyone forever.

Scholarship Dance

At the meeting of the Citizens Scholarship Foundation held last Wednesday evening at Old Rochester Regional High School the date was set for the Scholarship Dance. The dance will be held at the school in the cafeteria on December 16th. Mrs. David Goodenough, president of the Foundation, announced that tickets will be on sale at the door the night of the dance and may be purchased from students prior to the event.

This affair is very popular with the young-

THE TAX TRAP IS RESET EDITORIAL

The citizens of the United States must be
the most gullible on earth. The latest ploy
of President Johnson is to declare that his
Viet Nam buildup is responsible for the in-
flation which is on the way unless he gets
another 10% in taxes. This is nonsense and
almost everyone knows it. If there were no
war, the administration of Democrats is com-
mitted to a deliberate policy of deficit spend-
ing and a deliberate policy of inflation. The
socialistic programs of the Great Society are
the real force behind the destruction of the
dollar and the moral fiber of our country.
Every citizen should let his Congressman
know his stand on this Johnson tax hike.
